Dear friend,

Perhaps your move is a reminder to you of the importance of new beginnings. The Bible teaches us that God can give us a new beginning as we commit our lives to Him. We invite you to celebrate the joy of living the Christian life with us this (and every) Sunday at 9:00 or 10:30 a.m. for one of our Celebration Services.

Perhaps you would like to find a church that let's you...

- ***discover God and the Christian life in a non-threatening and encouraging manner.***
- ***enjoy quality music and meaningful messages.***
- ***trust your children to dedicated child care workers.***
- ***relax and learn about God.***

The late service is interpreted for the deaf, and childcare is provided for both services through age five. Sunday School is also provided during the services.

We invite you to join with your friends and neighbors at Millcreek Community Church. We hope to see you Sunday!

God Bless,

Ed Stetzer
