Dear Rolling Fields family,

The Christmas Eve Outreach Service is fast approaching. Many people have already worked several hours in preparation for this day. If you do your part, this outreach service will be encouraging and rewarding.

There are three things we are asking you to do:

1. participate in the mailings by picking up envelopes this Wednesday night from 4p.m. till 9p.m., hand addressing at least one hundred, adding stamps, and bringing them back to church Sunday.
2. specifically target 7 friends or relatives to talk to, invite, and remind about the service
3. mail postcards to your friends, family, relatives, co-workers and acquaintances to invite them to the Christmas Eve service and make follow-up phone calls reminding them to come.

This is a great way to fulfill our mission statement here to evangelize and help others share in the joy of knowing Jesus!

Post cards to mail out can be picked up (on 12/19) at the Greeter's table next to the programs. Make sure to include your phone number on the post cards so your friends may R.S.V.P. directly to you.

Our goal is to have 150-200 people attend our Christmas Eve Outreach Service. To assure this goal is met, participation by everyone is needed.

This is a day your friend might remember for an eternity!

Your Christmas Eve Outreach Team
