

NOTES

Pairing Up

Advantages

1. Rapid Reproduction
2. Burden Sharing
3. Work Volume
4. Accountability

What a Pastoral Partner Is and Is Not

Finding a Pastoral Partner

REFLECTION QUESTIONS

Make a list of your own gifts. Looking at the list, what complementary gifts should you be looking for in a partner?

Have you seen pastoral partnership modeled? If so, what were the benefits of it? If you have not seen it modeled, take some time to ask a pastor how they would have benefited from having a pastoral partner.
