

HIGHWAYS AND HEDGES

KENJI ACHADI

EXERCISE

Self Assessment

As Kenji talked about the key missionary activity of evangelism, he focused on three key words of being peculiar, persistent, and persuasive. Think of these words as personal values. What kind of grade would you give yourself with each as you apply them to evangelism?

- Peculiar: How does your life look different?
How will you model that for your team?
- Persistent: Where are you seen regularly?
What ways are you equipping your team to be regulars?
- Persuasive: What does this look like in your context?
What does it look like for each of your team members?

Next Steps

What are some Next Steps you can take to grow in each of these ways? Make a list of “demonstrated by” statements for each word. If you have a team, involve them in this exercise and commit to a growth plan for 30 days. At the end of that timeframe, debrief how it’s going and celebrate the wins.
