Video Questions

In light of the Great Commission, what is the difference between “making a decision” versus a disciple being made?

Why is it essential for church planters to prioritize reaching outsiders as well as reaching those who have already come to faith?

What are your strengths as a church planter when it comes to modeling a missional lifestyle?

In what ways can you grow in this missional lifestyle as a planter?

Consider your own networks. Which area of your life can you better engage with gospel intentionality, and how?
